**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a competitive provider because it is a small, local, Bay Area business that has also done the community of going 100% solar powered. LMI gives me personal service and is inexpensive. I do not like dealing with the huge telecom companies and only do so with my phone provider because I have to. Please keep broadband competition alive, for the sake of community and competitive pricing and service.
